

MEMBERSHIP BENEFITS

Food Horizons Canada.

Food Horizons Canada (FHC) helps you meet the central needs of your organization, with respect to understanding emerging food system and food sector risks.

Membership Advantage

- Increase your network of professionals engaged in food.
- Garner leading-edge information to enhance food performance and effective organizational strategies.
- Network with peers from a variety of sectors.
- Dedicated time to share next/best practices.
- Discuss current issues with thought leaders in a small, intimate forum.

Membership addresses current and emerging trends through:

- Member information and exchange
- Access to experts and world-renowned speakers
- Presentations and webinars
- Informal discussion groups
